# A Simple LaTeX Document

## CheariX

### November 21, 2025

## 1 Introduction

This is a very simple LaTeX document to demonstrate and test this container's features.

## 2 Content

And a brief list:

- First item
- Second item
- Third item

You easily can detected grammatic and speling errors. VS Code underlines them in your editor and provides suggestions.

## 3 Conclusion

That's all for this simple example!
